Adopt a Family, Teen or Youth for Christmas

The way our program works; you are assigned a family, teen or youth based on the sponsor profile you fill out. You will receive a profile and picture with each member of the family or a list of things the teen or youth would like for Christmas. We do not have any requirements; you can do what you feel comfortable for your family or youth – every donor is different. The only thing we ask is that all gifts are new, wrapped and labeled.

1. You have the option to arrange a mutual time to meet your family, teen or youth here at Journey House to give the gifts.
2. You may choose to drop off the gifts at Journey House without arranging to meet your family, teen or youth.
3. Or, you can schedule a time to have your gifts picked up from your location by a Journey House team member.

If you would like to arrange to meet your family, you will need to schedule a time with me and should be completed by Friday, December 22nd 3:00pm. If you would like to drop your gifts off to Journey House for us to give to your family, please drop them off by Wednesday, December 20th 6:00pm. If you would like Journey House to pick up the gifts from your location please schedule the pick up with me by Friday, December 15th 3:00pm.

If you would like to commit to adopting a family, teen or youth, please contact me.
